SO WHAT

We witnessed a little scene the other day that is of particular interest to the fair damsels. We were on a number 14 bus, headed for town, when a sweet young miss got on, all clad in her Sunday best, a brand new light colored creation of flannel.

Apparently she was on her way to meet her boy friend, for it was plain to be seen she had primped and puttered to the Nth degree. Every curl on her cute little forehead was just where it should be, and her snow white gloves looked brand new.

She was deeply engrossed in thought, maybe thinking of a good time ahead, when the bus stopped to allow several persons to enter. Oblivious to everyone, she failed to notice that the man next to her was clad in pants and coat that were covered with soot.

In a moment or two, the old number 14 lurched and swerved, throwing the fellow up against the sweet young thing, She paid no attention, but a quick look revealed that a goodly amount of the soot from the man's clothes had wiped off on her dress.

About two or three minutes later, the bumbling bus careened to a sudden stop, again tossing the man beside her. Once more, his clothing smeared her skirt, and this time some of the black substance rubbed on her white sweater.

So it went for a matter of 20 minutes or thereabouts, when all at once she noticed what was occurring. Aghast and speechless at first, she paled as a little cry slipped out from between her lips. Then slowly the tears formed in her eyes.

With that, she stamped her foot and mumbled something about people ought to be more careful. Then she reached for the cord to stop the

Garaventa Is Fined $500 As Bookie In Daly City

Roy Garaventa, 41, 151 Hillcrest drive, is $500 poorer today after paying that amount in San Mateo Superior Court Monday after pleading guilty to bookmaking.

The Daly City man also was put on one year probation by Superior Judge Aylett R. Cotton.

Reliable sources say this fine was just about twice as stiff as usually meted to first-time offenders for bookmaking in San Mateo county.

Garaventa was charged with bookmaking September 22 by four special agents of Attorney General Fred N. Howser. The agents arrested Garaventa in a room behind Duffy's Corner, 6398 Mission. This room also has a separate entrance at 12 Knowles avenue.

At a preliminary hearing in Daly City, a few days after his arrest, Garaventa had pleaded not guilty. Later in superior court the Daly City man pleaded guilty.

When arrested Garaventa was found to be in a room containing $3,460 in cash, plus bookmaking paraphernalia.

DONATE TOYS -- HELP SANTA CLAUS BRING JOY THIS CHRISTMAS

Local Lions Open Drive To Assure All Daly City Children Get Xmas Toys

Open your heart this Christmas and give a toy.

That is the plea today of the Daly City Lions Club who plan to give at least one gift to every needy child in this area December 25.

But they need your help.

Any toy, as long as it is in fair shape, is more than welcome. This does not mean it has to be new. In fact, old toys will be appreciated.

This week dig down into that closet or old trunk and bring out the toys your children have either outgrown or no longer use. They may be collecting dust now, but Christmas they will be the center of love for some small boy or girl.

When you have gathered together all these gifts bring them to one of two places:
Jefferson Union High School
Daly City Theatre

No money is involved in this transaction. The Lions are not asking you to give a penny. They merely hope you can find a few minutes to rediscover an old toy.

However, those who can afford the price of new gifts are asked to purchase some inexpensive toy for the children. These, too, may be turned over to the Lions.

When all the toys have been gathered, the Lions will distribute them to the "right children" on or before Christmas morning.

Even your children are going to benefit from this drive.

December 19, the Daly City Theatre is going to present a free show for all children in Daly City. The only price of admission will be a used, usable toy, Lions Club officials said.

More information will be published at a later date in the "Record" about this free movie.

Arnold Panella is the local chairman of the Lions "Toy Turnout" campaign.

Skill Saw Stolen From Sterling Bldg. Company Tool Shed

Someone is either busy with, or trying to get rid of a skill saw today.

The saw was stolen over the Thanksgiving holiday from the Sterling Building Co. shed at Bismark and Wyandotte, police reported. No value was set on the tool.

Thieves forced the lock of the tool shed door, went in, looked around and lifted the saw. Nothing else was disturbed, according to the police.

DEVICE TESTS DRIVER'S REACTIONS

Looking over one of a new set of driver testing devices is Stanford Hannah, center standing, superintendent of the Jefferson High school. This particular instrument is now being used by the school to show drivers how long it takes to apply brakes going at various speeds. Operating the "brake," seated, is James Cherry, superintendent of schools, South San Francisco. A representative from the county superintendent of schools office, Robert Moore, right looks on. To the left is Senator Harry L. Parkman.

Broadmoor Woman Attempts Suicide; Condition Serious

Cut down by a neighbor after she had attempted to hang herself last night, Mrs. Helen Hirshmiller, 24, 1736 Louvaine drive, has a narrow chance to live today.

Junipero Serra Hospital authorities report the Broadmoor woman is in a "very serious condition."

Mrs. Hirshmiller was found at 8 p.m. Wednesday swinging from the end of a rope in her garage. Robert Goodwin, 1740 Louvaine drive, immediately cut the rope and began trying to revive Mrs. Hirshmiller.

He called neighbors and Dr. Roy Panelli. She was rushed to the hospital where she is now undergoing treatment.

Police believe her recent separation from her husband, Robert, was the reason Mrs. Hirshmiller attempted to hang herself. The San Mateo Sheriff's office reports she left a note reading:

"I will never be happy. For what is the use. I'm going to hang myself."

It was only by a sheer accident that Goodwin found Mrs. Hirshmiller. He had been called over to her house to fix a bad electric light cord . . . something she was unable to do without her husband.

After repairing the cord, he had gone to the back of the house looking for Mrs. Hirshmiller. Not finding her there, he went out to the garage.

Police believe she had been hanging only a matter of seconds when Goodwin discovered her limp form.

There are two children in the Hirshmiller home, Richard, 2½ years, and Raymond, 1 year.

Six-Year-Old Girl Struck By Sedan At Intersection

A six-year-old girl, Carol Hunsperger, almost went on her last school bus ride Monday. When descending from the vehicle she was struck by an automobile.

Rushed to the Junipero Serra hospital, young Carol was treated for cuts and lacerations about her head. Hospital authorities report the injuries were not serious, and the girl was sent home to her parents, Mr. and Mrs. Hunsperger, 6951 Mission street.

This is the third case of a young child being hit by a car in Daly City within the past 10 days. To date none of the victims have been seriously injured.

Monday's accident occurred at 3 p. m. at the intersection of Bismark and Hillside boulevard. The school bus pulled up to the northeast corner of the intersection and Carol got off, along with several other children.

Harry Cunningham, 398 West Portal, San Francisco, driver of the accident car, told police that he had stopped when the children descended from the bus. Then, when apparently all had crossed the street, he started up again.

At that time Carol darted from in front of the bus, and Cunningham hit her with the right fender of his car, he told police.

ALL THIS, AND AN AQUACADE TOO

Gorgeous June Devlin displays some of the curves that make the Jefferson High School "Enchanted Isle" Aquacade one of the best forms of entertainment in Daly City today. But, you had better hurry. Friday, December 2, is the last day of the lavish show put on by an all High School cast.

Postmaster John F. Fixa To Recommend New Building And Added Services For Daly City Post Office Patrons

OFFICE OF THE POSTMASTER
Seventh and Mission Sts., San Francisco 1, California
JOHN F. FIXA, Postmaster

November 25, 1949

Mr. Harold P. Bradshaw, Publisher
DALY CITY RECORD
3317 San Jose Avenue
Daly City 25, California

Dear Mr. Bradshaw:

Your editorial appearing in yesterday's issue concerning the need for a new post office building has been called to my attention. Realizing the seriousness of the situation I thought it would be well to tell you in writing my personal feelings in the matter.

First of all I am in full agreement with you in respect to the need for larger post office quarters in your city and it is definitely my intention to recommend to the Post Office Department at Washington a new building in your business district constructed according to our specifications or leasing an existing building which will meet our specifications. I would prefer a new building so that it would be modern in every respect and so constructed that it would be a credit to your community.

I take the personal responsibility for the delay in advertising for bids as I want to make sure that our specifications will take care of estimated needs for the next ten years. This estimate involves a survey which must be much more camprehensive than a casual observation would indicate.

For instance, there must be a complete change in all of the existing carrier routes, a survey of transportation facilities and conferences with builders as to their future plans. It would be very easy for us to leave present routes as they are and merely ask for enlarged quarters so that the patrons would have larger lobby facilities, but I am sure you will agree with me that a more intelligent approach than this should be made.

In conclusion I wish to take this opportunity to express my thanks to the citizens of Daly City for their patience with our limited station facilities and I only ask that they continue to be patient a little longer as I know it will pay dividends to all concerned.

Kindest personal regards.

Sincerely yours,
JOFN F. FIXA

ANOTHER WATER WELL FOR DALY CITY; BODIEN RECALLS PAST DRILLING

Water, water everywhere, but unless you dig for it, not a drop to drink.

That's the situation around Daly City, and the slogan that a few weeks ago sent J. N. Pitcher, 7108 Mission, and a team of drillers to work at Junipero Serra near Citrus. This week they report they have stopped digging, at 522 feet, and have struck water.

"The boys also hit something else," A. J. Bodien, Daly City's unofficial historian and water superintendent, said.

Rising from his chair, Bodien walked across his office to a box containing what looked like flower pot formations of coagulated black oil. Picking up one of the smaller pieces, it promptly crumbled in his hand.

"Shale. Tons and tons of shale. First time in the history of well digging around here that we've hit the stuff," Bodien noted.

This leaf-like stone may go from 100 to 1,000 feet, before water-bearing soil and rock is hit again, Bodien explained. For that reason, the well diggers have stopped drilling at 522 feet. Original plans called for a 600-foot-deep well.

However, there is still plenty of water at the 522-foot mark.

"Pitcher bet me he could pump out over 3,000 gallons of water in less than three minutes at the present level," Bodien said. "I'm not taking the bet, but the city doesn't have to worry about the well giving up plenty of liquid."

Now that digging has been completed, 600 feet of pipe, already laid, will connect the well with the Citrus street water works. After experimenting on amount of water needed, the right size pump will be set over the well. Within the next month, more H2O will be flowing into Daly City homes.

At the present time this community is served almost exclusively by five deep wells. Only the Westlake - Broadmoor area receives water from San Francisco.

With the addition of the new well, citizens need not worry about water for some time to come. Chances of the wells going dry are pretty remote.

By the way, this system of water service givess Daly City one of the lowest ratess on the Peninsula.

"Originally, at least when I came here, there were nine wells in operation," Bodien recalled. "A couple went dry, and the others got so corroded that they couldn't be used."

One of the "rusted" wells is on the San Francisco county line. At the present time it pumps a small

DALY CITY MAN QUESTIONED WITH FOUR OTHERS IN BRESLAUER KILLING

A Daly City man and four others were arrested in San Francisco last night for questioning on the murder of bookie Martin Breslauer, big-time bookie killed here September 29.

The men are going to be brought to Daly City sometime this afternoon. Police Chief W. W. Sunderland said some of the men would probably be charged with the murder of Breslauer. He did not say who they would be.

Daly City man involved in the questioning last night was Bob McKay, 27, laborer and truck driver, son of Joseph McKay, 166 Peoria street.

McKay was arrested shortly after Roy "Fat" Teller, 26, 113 Prospect street, and John "Midge" Ruano, 34, 639 Madrid street, were picked up by police. The other men arrested were John O'Connell, 29, 44 Conkling street, and Joe Teller, 927 Alabama.

Police indicated this afternoon that Ruano, Roy Teller, and a third man yet to be apprehended were the ones directly involved in the murder.

McKay was picked up as he is allegedly a friend of both Ruano and Teller, Sunderland said. No indication of what charge, if any, would be brought against McKay was reported by Sunderland.

The men are to be brought here this afternoon, booked, and then transferred to Redwood City for further questioning. As the murder took place in San Mateo county, San Francisco police must turn the men over to San Mateo county authorities.

Police are still searching today for several other men involved in the murder, Sunderland said.

Early this morning, the wives of Roy Teller and Bob McKay were questioned in Daly City by District Attorney DeMatteis, his assistant, Fred Wycoff, special investigator Frank Marlowe and Chief Sunderland.

Neither of the wives is being held in custody, Sunderland said.

Following the arrests last night, a Daly City witness to the crime, Mrs. Blanche Button, was taken to the police pistol range near Lake Merced to identify the men.

She said Teller looked like one of the men, but she could not positively identify him as the man who was bending over Breslauer as he lay on the pavement.

Mrs. Button was unable to identify Ruano. It was not disclosed whether or not she recognized McKay or the other men.

"We have enough other evidence to convince us we have the right men," Sunderland said.

The chief also disclosed that the murder car, in which the men who killed Breslauer rode, had been located.

Arrests came after an intensive investigation by San Francisco police who had been assigned to the crime the day Breslauer was slain.

CITY COUNCIL ACTION

Thieves Get Socks, Jewelry In Two D. C. House Burglaries

Richer by 15 pair of men's socks, a 10-year-old wrist watch and $140 in jewelry today are burglars who broke into two Daly City homes Wednesday.

Biggest loser was J. L. Leone, 380 N. Parkview avenue. He reported to police that thieves, in addition to taking all his stockingss, also stole: a coffee can full of $30 in nickels, a watch worth $100, ladies earrings worth $25 and a $20 ring. He valued the stockings at $20.

Grudo De Llesta, 162 Evergreen, told officers a thief had raised havoc in both his bedrooms, emptying all the drawers on the floor, but had only taken a 10-year-old wrist watch. The value of the time piece was negligible.

Both burglaries took place between about 9 a.m. and 5 p.m. Wednesday. The homes were empty, as both victims were working.

Entry to the houses was approximately the same. The thieves cut small holes in windows overlooking the front porch, reached through, and pushed back the bolt holding the window shut. Then, raising the windows they entered.

However, the thief at the De Llesta home discovered that bolts in the window frame prevented him from opening the window. Undismayed, he turned to the front door, cut a hole in the glass next to the lock, put his hand through, and opened the door.

The thieves confined themselves to ransecking bedrooms in the homes.

Police had no comment as to thether or not the same thief or thieves pulled both jobs.

Property Owners Approve Concordia Assessment Dist.

General approval of the city plans for improvement in the Concordia land tract was sounded by some 75 property owners at Monday night's council meeting.

Tentative plans for putting in streets, water mains, sewers, and sidewalks at a cost of approximately $110,620 have been drawn up by the city. The improvements will involve the northeast portions of Bellevue avenue, Frankfort, Whittier, Edgemar, Oliver, Losell, Gutenburg and Mar Vista drive.

The cost o fthe project will be paid off in a number of years by property owners in the area.

Only one land holder present at the meeting, Mrs. Winder, 99 Bellevue, objected to the proposed assessment district. She told councilmen she just didn't want the improvements.

Midway in the discussion, a relative of Mrs. Winder's, Pat Casey, of the same address, brought up the most puzzling question of the evening.

"If the proposed outdoor theater near Gutenburg and Frankfort is built, won't they use the streets we are going to pay to have paved?" Casey asked.

Mayor Green answered that the theater will be out of the city limits of Daly City, and therefore beyond the city's jurisdiction.

"However, we will investigate the possibility of the theater using the streets as entrances and exits.

Gas Bill Goes Up Average 22c A Month In D. C.

Gas is going to cost Daly City ressidentss an average of 22 cents more per month, stsarting with their December bills.

New natural gas rates, granted the Pacific Gas and Electric Company by the State Public Utilities Commission, went into effect Tuesday for 900,000 families in northern and central California.

This increase represents an average 7 per cent boost.

P. G. & E. asserted that the increase is less than a cent per day, and the first such boost in 29 years.

Increased operating costs necessitated the hike, company officials said.

Safety Campaign To Help Alleviate Highway Hazards

By Marlyn Jurras, Executive Secy. San Mateo Co. Safety Campaign

Speeding killers have no age limit. People of all ages are subject to the hazards of the highway. As a driver you must not only be right yourself, but you must, at all times, be able to avoid the other fellow. To do this, you must be able to stop safely — regardless of others, pedestrians or motorists. The fact that you had the right of way—or were entirely blameless will not bring back a life

or relieve a tortured limb. New cars are available but new arms, legs, bodies and lives are not of this world. When on the streets or highways — "LIVE and LET LIVE."

The citizens of Daly City and the county of San Mateo are indeed fortunate that they have public officials who are actively interested in public safety and civic betterment. They don't just passively approve a Safety Campaign — and then "let John do it." They go all out for it — let their actions speak for them — not mere meaningless words. They don't just do what the strict requirements of their various offices require of them, but go far beyond their duties as citizens and public officials and get actively behind any movement that is a campaign for public safety. They ask for no return but the whole-hearted support and backing of each and every citizen in this Campaign for Acci-

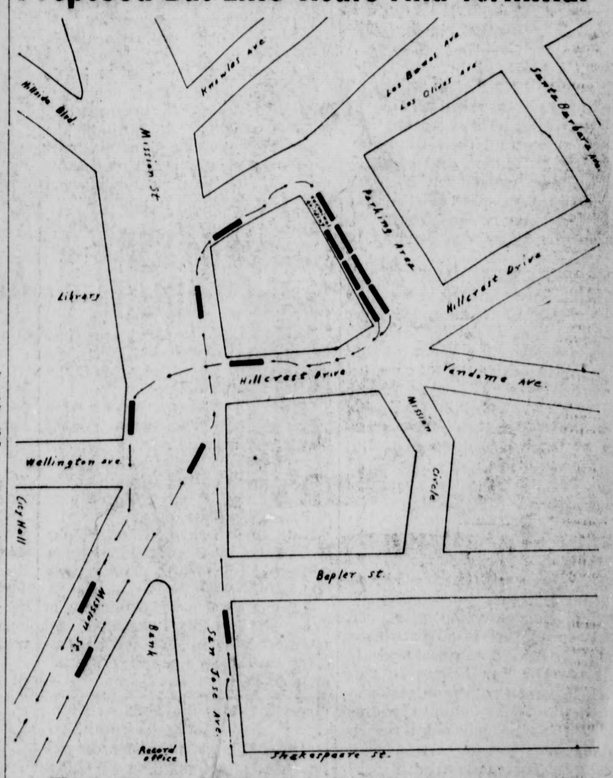
Proposed Bus Line Route And Terminal



This is one citizen's proposal (H. H. Smith, 187 Irvington) for the present problem presented by the bus stop on Mission and San Jose avenue. Smith calls for a bus terminal, in addition to a new bus route. At the present time busses stopped on top of the "hill" tend to block traffic and cut merchants off from a place for customers to park. A letter written by Smith on his proposal may be found on Page 2.

NEWS OF YOUR NEIGHBORS

GRANT WILLIAMS of the candy store of the same name at 6694 Mission, spent a very smoggy Thanksgiving with his twin sister, Mrs. Louise Curry of Rosemead, a suburb of Los Angeles. Williams made the trip, he explained, as both he and his sister were born on Thanksgiving. Since that time they have never missed a birthday dinner together. Also at the Thanksgiving birthday party were Mrs. Louise V. Williams, 255 Knowles, Grant's mother, and his brother, Lee A. Williams. The candy man reports smog is so thick in Los Angeles that it often burned his eyes and hindered his breathing no end. By the way, that sister is a real twin. She also has flaming red hair. However, it might be noted here that she can boast of quite a few more strands than friend Williams.

FRED WATERMAN, son of Mrs. L. Waterman, 182 Acton st., is among the 30 students at California State Polytechnic college in San Luis Obispo to receive scholarship awards this year. Waterman was presented the Beno award. The scholarships were awarded by individuals or organizations interested in providing students of outstanding merit with educational opportunities. High school background and citizenship, plus the development of an outstanding project, are among the qualifications determining awards. Waterman is a senior majoring in aeronautics. He is a graduate of Jefferson High school.

MR. and MRS. RICHARD HARMAN, 215 Miriam street, are the proud parents today of a new baby boy. The boy, Steven Richard, was born November 16 at St. Francis hospital. He came into the world at 7 and one half pounds. The congenial gentleman of sweep at city hall, Smitty by name, is Steven's grandfather.

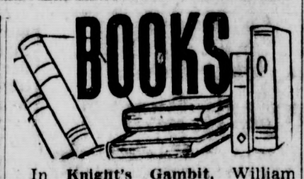
MANUEL DELEON, manager of the deLeon Music store, 6129 Mission street, was host to 20 people last Saturday who met in his store to enjoy a television broadcast. The show was the "Quiet Hour" over KGO. This was the first broadcast of the "Quiet Hour." deLeon also is the music director of the Burlingame Seventh-Day Adventist church.

MR. AND MRS. ERWIN SCHMIDT, 1245 Brunswick street had a wonderful surprise for their Thanksgiving. The surprise was in the person of their daughter, Mrs. Vivian Hinton, and her husband. They came from Tacoma, Washington to spend the holiday with her parents. Mr. Hinton is a building contractor in Tacoma.

MRS. ROSELL VAN OVER, 205 Woodrow, is back from Hollywood and Pasadena today after spending two weeks in the southland. During four days of her trip, she attended the 21st annual convention of "Welcome Wagon Inc." which was held in Pasadena. Mrs. Van Over is an active member of this welcoming organization. During the rest of her stay, Mrs. Van Over looked over Los Angeles and Hollywood.

EJARTAN L. CHRISTOPHERSON, 1831 Sweetwood drive, this week was issued an original notary public commission, Frank M. Jordan, Secretary of State, said. Christopherson is a Broadmoor resident, and it is presumed he will put the new license to good work. Anyone with problems concerning a notary should consult Ejartan, as he may not have the experience, but he certainly has freshness for the job.

LARRY ARNAUDO, eight-year old son of Mr. and Mrs. Arnaudo, 75 Willits street, hopes he can make it home from St. Mary's hospital in time to celebrate his ninth birthday this Friday. Young Larry went to the hospital November 28. When he returns he will be minus his appendix. Whether or not he will be able to eat a hmearty birthday dinner depends on many factors. However, all his friends hope he greets a new year in his life from his Daly City home.



In **Knight's Gambit**, William Faulkner's new novel now available at your Daly City library, the reader will find a combination of moving prose and detective stories.

Unfortunately, this is not the best book, or rather collection of short stories, Faulkner ever wrote. However, it shoul dserve as an excellent introduction to those readers unfamiliar with the writer.

Many people complain that this southern author writes in an ambiguous, confused style. Thiss, I believe, is hardly the case. True, Faulkner is a master of the long, involved sentence, but to say he is ambiguous is far from true.

The difficulty is that the majority of American readers have been accustomed to the short, telegraphic sentence made so popular by Ernest Hemingway. When they come up against a more elaborate sentence structure, involving concentration and study, they are apt to give up the whole thing.

But it is no idle rumor that Faulkner is by far the most outstanding living American writer. Paradoxically it is for this mastery of grammatical construction, in addition to an amazing understanding of the south and its people, that he deserves a niche in literature.

Readers who have a feeling for the beautiful, and those who wish to acquire an "esoteric" understanding of literature are advised to read Faulkner.

Returning to **Knight's Gambit**, the book lover will find not only this particular sentence construction, but also a simple moving plot. The plot, or rather series of plots, centers aroun da wise (although often too omnicient) small town lawyer, Gavin Stevens.

Because he understands his people and can make generous allowances for their frailties, Gavin is more the chronicler than the detective or judge. Around him, Faulkner has woven the stories, each of which is an entity in itself, and which together with the overall pattern presents an integrated view of manners and minds of the South.

When it comes to understanding the uneducated Negro and poor white, Faulkner can not be excelled. He paints them in their true colors with the proper amount of pathos and comedy. This is especially noticable in "Monk," a tale of a man without a brain but terrific loyalty to an idea.

The intrinsic weakness of the detective story shows through, however, in such a story as "An Error in Chemistry." This is almost too contrived to be interesting, and while the writing is powerful, the trite plot negates the style. This can also be said about the principal story, "Knight's Gambit," which starts out to show the rich South, and ends up as a tirade against war.

All and all, though, **Knight's Gambit** is an excellent collection of short stories. It is recommended for the "amateur" in Faulkner as it presents just enough of his great style to be interesting, and good plot to hold the attention of even the pulp magazine reader.

Named To SSF Judge Position

Rudolph A. Rapsey, one-time Daly City attorney, will be the new judge of the First Township Court (South San Francisco).

While no official action has been taken by the San Mateo County Board of Supervisors, a reliable source on the board said Rapsey would receive the appointment. The board will meet Tuesday to consider appointments.

Rapsey will replace Judge John J. Fahey, who resigned recently to devote full time to private practice.

Thomas Bocci, partner of Fahey's Daly City law office, had requested the job. He had no comment on Rapsey's pending appointment.

SO WHAT

(Continued from page 1)

bus, and as she left, we heard her say something to the effect that she would have to go back and change her babiliments.

Yes, it was a pretty disheartening sight, but was the guilty individual chagrinned at what had taken place? Well, if he was, there was no sign of it on his face.

In any case, it seems to us that men employed in work of a grimy nature should arrange to change their clothing before going home. It would involve only a few moments of their time, yet they would eliminate many instances of what we have just described. . .

Speaking of buses, if they keep on taking them off, the service will be all but done away with entirely. Today, waiting 10 minutes for one is considered absolutely nothing. And if you happen to time the delay, 20 and even 30 minutes often elapses before the Muni system sends along another.

Not long ago, we had an experience that all but drove us mad. We were coming from town on a 26 when about two miles from the bank, we were dumped out. It seems that the bus had reached its terminus.

Well, we got out and stood on the corner. Ten minutes went by, then 20 minutes passed, 30 elapsed, 40 were gone. At last, a bus arrived to take us to the office.

Of course, that was a crying shame. Schedules always should be arranged to avoid such devastating delays. . .

With it all, we hear from the folks in Broadmoor that their new bus system is a vast improvement over the previous setup. We don't know how often the darn things run, but anyway, it's good to learn of any betterment where the Muni outfit is concerned. . .

Speaking of Broadmoor, the business strip along Juniper Serra boulevard is beginning to look like old Santa's basket. Christmas things of every description are adorning the windows of the shops, and are they beautiful!

For instance, take a peek at Carter's. He has everything in men's furnishings that will make the best presents you can think of for "him." And we mean everything.

All of the outstanding brands are to be found on his counters. Then there are any number of styles and sizes, so that the most finicky tastes can be satisfied.

Next, we looked in on Kiddie Ville. What a natural for Broadmoor where almost every family has at least one tot whose eyes will bulge on Christmas morn after seeing what mom has bought at Kiddie Ville. Actually, it has the appearance of Kris Kringle's workshop.

Then we moved over to Weitzel's Shoe Emporium. They not only have the finest of foot wear for "him" and "her," but all of the accoutering things that go along with boots. And the gift wrappings for them are comparable to what is found anywhere. . .

While on the subpect of Christmas, we noticed that the Yule street lights for Daly City are being hung on the poles overhead. Down at the county line a number of clusters already are up, but the job takes time. So be patient and shortly the whole town will be a glitter at night.

In this regard, we are apprised that the merchants are doing their share toward bringing us the Christmas spirit. First, they will hang wreaths, measuring three feet, in the middle of every string of lights along Mission street.

Next, it is planned that every store will embellish the front with paintings, red bells, holly wreaths and other things to aid and abet the Yule cheer.

Ted Hopman, secretary of the Daly City Merchants Association, said that the cooperation has been splendid. He added that our town will look just as good as the best by the time December 25 rolls around. . .

Another Well

quantity of water into the city.

"About three years ago we tried to clean out the rusted pipe," Bodien said. "I got about 500 pounds of dry ice and had the boys dump it down the shaft."

The dry ice when suddenly melted, sends out strong, high pressure gases. Force of the expanding gas was supposed to have cleared the rust from the pipe holes.

"When all that ice went down, the earth began to rumble, and I began to shake. The next thing, water shot out of the earth like the spout of a whale. We got drenched, and the city had a rejuvenated well."

However, this dry ice experiment was only a temporary cure. Today, the city is looking over plans for a more permanent method of putting the county line well back into shape.

Then there was the project down behind Jefferson High school. A few years ago when they were drilling for water, the diggers came up with a redwood tree. Nothing unusual, except that the tree was down 300 feet.

H. H. Smith Proposes New Bus Route And Terminal For Daly City

The following is a letter from H. H. Smith, 187 Irvington street, on the problem of the present bus stop at Mission street and San Jose avenue.

Smith wants the city to build a bus terminal and ask the city of San Francisco to re-route the busses to that terminal. Full details of the plan may be seen on Page 1.

At present, the city believes the answer to the bus problem can be found by extending Brunswick street through to Hillside boulevard. Busses then could assertedly turn around on Brunswick and Hillside.

However, in order to go through with the extension, the city must cut through approximately three quarters of an acre of land running from Brunswick to Hillside boulevard. This land is owned by Smith.

Condemnation proceedings against Smith's property in this area are now bogged down in the San Mateo County superior court.

Smith believes this Brunswick extension is not necessary, and therefore offers a plan of his own for solving the bus parking problem.

City officials and land owners in the property that would be affected by Smith's proposal, as well as interested citizens, are asked to write the "Record" and state their opinion. ALL SIGNED letters will be published.

Following is Smith's letter:

The purchase of this proposed bus terminal site and the erection of a terminal building, together with the installation of a signal system designed to work with such a plan of operation would:

Extend the bus service to main business section;

Extend service for all in western and southern part of the city;

Provide shelter and comfort for waiting bus patrons, whether waiting for busses, waiting to transfer, waiting to be picked up as in stormy weather, etc.;

Give a place to which bus patrons could be taken in morning and picked up in evening, with public phones for calling home, etc.;

Provide much needed rest rooms for the public in general, the bus patrons, the bus drivers, etc., as well as a place where the bus drivers could have their lunch, coffee, use a phone, etc.;

Provide parking space for those wishing to leave their cars and pick them up in the evening;

Thus make the family car available for shopping, taking children to school in bad weather, etc.;

Provide terminal for transferring to other busses. Such a terminal will be more and more a necessity as the years go on;

Make it more attractive to anyone interested in provinding extended bus service to Colma, Broadmoor, Garden Village, Westlake, etc.;

Encourage more bus travel with its good results for all;

Provide a badly needed parking area for shoppers who are to a great extent discouraged from shopping in the main business area because of no parking space;

Thus save loss of business for many merchants "on the Hill,"

Be a great favor to those business men on Mission street where the busses now stop and interfere with orderly transaction of business;

Eliminate that unexpected and easily overlooked arterial sign at Mission, Flournoy, and Crocker streets;

Set a pattern for a properly arranged signal system to bring about an orderly and safe flow of traffic;

Be beneficial in other ways too numerous to mention.

The Municipal Railway authorities have said that they will go along on any reasonable proposal that will eliminate the bad features of the present plan and that will be beneficial to Daly City, so action should be taken to put the proposed plan into operation at the earliest possible time. The City Council has authority to purchase the necessary property and make the necessary improvements.

The minimum size of this proposed terminal should be 100 x 200 feet.

Family Joke Wins Hollywood Trip For Dick Hiett

An old family joke paid off for Dick Hiett, 11, 57 Muirwood dr., this week when he successfully named Hopalong Cassidy's new pinto colt.

The name cannot be released, but it's no secret that Dick and his mother, Mrs. Donal P. Hiett, will be leaving for Hollywood aboard an airliner next week. In addition to the expense-paid trip, Dick was given $150 in cash.

The inspiration for the name come from a family joke concerning a rank Dick's mother once held in the Camp Fire Girls. Seems the rank labeled her as a speed demon, something Mrs. Hiett's family has doubts about.

In a word, the name of the horse is the name used in the Camp Fire Girls. But Dick and Mrs. Hiett have been sworn to secrecy.

Dick named the horse in the contest launched last July on GKO-TV's "Hopalong Cassidy" series. For submitting the prize-winning entry, he and his mother will stay at the luxurious Town House, dine at famous restaurants tour Universal International Studios, visit ABC's television center and spend a day at Catalina Island.

There's one boy who owes a lot to his mother, and her sense of humor.

Breslauer Killing

(Continued from Page 1)

6 p.m. shooting said that at least three men were involved. Two men were supposed to have assailed the bookie, while a third waited at the wheel of the car.

Robbery was the simple motive for the killing, police now believe. They have good information that about $2,800 was hoisted from Breslauer after he'd been shot down.

Police now reconsrtuct the crime as follows:

A close friend of the bookie knew that he carried large sums of money. He, and the killers, drove to Daly City and observed Breslauer for several days before the shooting.

Then, satisfied the bookie was carrying a large sum of money, one of the gang rented a car, switched license plates, and drove to Daly City.

Death corner was the intersection of Los Banos and San Diego.

When Breslauer came out of his joint at 6 p.m. September 29 the killers shot and robbed him.

With scant information given by witnesses of the crime, police traced down the five men arrested last night.

Responsible for the arrests were Inspector Frank Ahearn; Ed Farrell, San Mateo investigator; Sunderland; Deputy Sheriff Milton Minehan and Captain English.

CITY COUNCIL

(Continued from Page 1)

Perhaps something can be worked out so they will share the costs," Mayor Green said.

(Property owners in the area report that bulldozers are now levelling the land for the outdoor theater. A reliable source said that the project will be completed by March, 1950.)

Other than this one question, there were no serious disagreements with the city's planned assessment district.

Eric Moore, 150 Evergreen, raised the question of whether or not utilities could be put underground.

"This would mean the cost of the project would be quite a bit greater than we had planned," Edwin Smith, consulting engineer, replied.

Following several other questions concerning individual assessments for the job, the hearing was closed.

Mayor Paul Green assured all those present that before final action was taken, they would be called again to approve or disapprove the project.

Other business before the council Monday consisted of:

Appointing Councilman Fred Bertetta to the Mission Trails Association board of directors.

Passing an ordinance to make persons responsible for repair of sidewalks and curbs in front of their homes.

Passing an ordinance to adopt the 1949 Uniform Building Code.

The first phases of the Central Valley Project involve almost $500,000,000 of water, power and flood control works.

THAT SPOTTY TIRE WEAR

There are several common causes of spotty wear on tread of tires and one of the most common is under-inflation. Many motorists, however, seem inclined to overlook this fact. Instead of putting it down to poor wheel alignment, the next time they notice this form of tire wear, they might check up on inflation. As has been said many times, "the best way to inflate tires is at least once a week."

The State legislature, in 1938, passed an act reserving to the State all minerals in any lands sold by it.

College of St. Ignatius, later renamed the University of San Francisco, was incorporated April 30, 1859.

Around Broadmoor Village

with Verna Duste

Whassat?? That bubbling noise. Oh yes, of course, turkey soup!! You know, that stuff that comes after turkey hash, creamed turkey and all the other disguises for the ignominy of the noble bird. Anyhow, ladle us out a bowl of **yours**, and we'll sit down and chat while we blow (on our soup, that is!).

Up from Pasadena to spend Thanksgiving plus a week or so with her sons and daughter-in-law is Mrs. Sara Heim. Visiting the Heims on Village Lane, that is.

The Bill Johns on Sweetwood took their little new Barbara down south to see the senior Johnses for the first time. Bet they were impressed to see the kind of little girls we grow in Broadmoor! The elder Johns, at last report, were viewing babies in southern California with a very jaundiced eye.

Those fiendish card players, the Pat Pateys on Nimitz, entertained last week — no, Sam, not Canasta, they played contract — lemme see, who was there, oh yes, the Draper Howards, the Bert Parkers and the McCoys. Draper Howard was the proud winner of the first prize, but Mrs. P. wouldn't tell us what it was!! Bet it was a subscription to the Daly City Shopping News!

The Garden Village Sewing Club is in full swing, no doubt with one eye on the calendar—only 20 more shopping days until Christmas!! Anyhow, Mrs. Freiberg entertained the group on Tuesday night a week ago, with Mesdames Agnew, Damon, Juhl, Sturzia, MacGregor, Heim, and, of course, their guest, Mrs. Sara Heim. Corny as it sounds, the girls were in stitches (of one kind or another) all evening!!

Up at the Kelleher house on Louvaine joy reigns supreme because of little Carolyn Margaret Kelleher, who, weighing 6 lbs. 13 oz., arrived November 26. Brothers Harry and Jackie are pretty sure she's not only the first pretty girl in Broadmoor, but the prettiest pretty girl. Best wishes to all youse Kellehers!!

Congratulations to the Steve Melinecs who celebrated their wedding anniversary on November 30.

Nicest - People - of - the - Week Dept.: Ray and Eleanor McKenna on lower Sweetwood, who, being alone on Thanksgiving Day, decided to share it with two adorable little girls who would not have had Thanksgiving in a home otherwise. These little girls, from the Mt. St. Joseph Orphanage, had the time of their lives — investigating Broadmoor from a toy lizzard, and saying "Hi" to all and sundry who passed by. Eleanor tells us that the Orphanage consists of about 200 girls, from kindergarten to high school age. Outings are very frequent — this week the girls visited the Emporium to see Santa and ride on the kiddie rides on the roof.

While we're on the subject of girls, the Girl Scout Tea is to be held at the Community Center on Saturday, December 3. The girls have made remarkable strides in their training this year, to say nothing of more group leaders having received their training.

Society Note — Mrs. Robert Johnson, of Louvaine drive, will entertain five ladies at luncheon: Mesdames William Kaemmerling, Truth Danielson, Kate Vogel, Mari Jene Kassow, and Billie Kaemmerling. The luncheon, according to Mrs. Johnson, is in honor of nothing in particular. End of Society Note.

Big Deal of the Week was Butch Fischer's birthday party, held Saturday, November 26. Sara, at last report, still has her hands over her ears, and is just praying that roaring in her head will stop!! Complete with games, balloons, paper hats, etc., Butchie and Co. had a fine time.

Guests included Billy Culbertson, Nancy and Danny Driscol, Rayme Lichtenberg, Johnny Rizzo, Arvid Olson, Julia and Peter Schmidtz, Ann Bridget Breathwit, Barbara Bobu, Louis Lipset, Jimmy and Margie Wright, Dale Atwood, Pat Benkert, and Richard, Donald and Dennis Athanacio. Many happy returns, Butch!

Visiting her daughter and son-in-law, Mr. and Mrs. Russell Parkison, Mrs. Juliette Gallian of Fresno, dropped in for Thanksgiving.

Last week saw a number of changes in the auxiliary of the Veterans of Foreign Wars. Mrs. President Blanche Cavero resigned. The senior president, Estelle Harding, became president, while Mrs. Edith McCoy, junior vice-president, became senior vice-president. Mrs. Gladys Holt was elected and installed as junior vice-president. Since her resignation was so unexpected and so little time was available to plan a farewell of any kind for Mrs. Cavero, the Auxiliary presented her with an Auxiliary cap as a token of their esteem.

Oh yes — Small Daughter had a birthday November 21st, with the following guests in attendance—Michael and Patricia Brandt, Davy and Kathy Merchant, Stephanie Mischak, Lynn Parkinson, and, of course, assorted mothers.

Remember last year when you promised yourself you'd do your Christmas shopping early? Did you??

You also promised yourself you'd get those Christmas cards off the second week in December. Will you??

Been up to the Broadmoor Shopping Center lately to see the gorgeous Christmas decorations?? Leslie's, particularly, has gone all out for the glad Yuletide. That snowman, in particular, has captured the hearts of all the small fry in Broadmoor, with his smiling face, and that smart stovepipe hat.

While you're up there, drop in at the Broadmoor Pharmacy, and see the complete (but complete!) line of Christmas wrappings by Hallmark — tags, cards, seals.

Broadmoor Presby. Church Shows Expansion

Vestments for the adult choir, four additional building lots and the installation of a telephone are the latest developments in the expansion of the Broadmoor Community Presbyterian church.

The Rev. John Glasse, resident minister of the church, said the additional building lots give the church an area 100 by 200 feet and frontage on both 87th and 88th streets.

Plenty of parking space will be available now with the new lots, in addition to land for the new building for which plans are now being made.

The adult choir made their first appearance in the new maroon vestments at 11:15 o'clock Sunday morning. They were under the direction of Memory Gomez, with Esle Faust at the organ.

In addition to its general uses, the telephone will be of special value to physicians and others who can now attend service while "on call."

Along with the Sunday school, morning worship service, Women's Association and Men's Fellowship there are two other features of value to the community. One is the weekday nursery school for children from 2½ to 4½ years. The second is the movies shown to some 100 children from 10 to noon each Saturday.

DIFFICULT STEERING

Potluck Christmas Party For Everyone At Broadmoor Lutheran Church Dec. 16

Fun for the whole family is coming to Broadmoor December 16.

That is the date of the "Potluck Christmas" party at the Broadmoor Community center. The party is sponsored by the Lutheran church Sunday School Mothers' club.

Highlight of the Friday night activity will, of course, be the pot luck dinner. Those coming are asked to bring his, or her, favorite dish with an eye on the Christmas season.

There will be plenty of time to prepare food for the event, as the dinner and entertainment will not begin until 7 p. m.

Following the food, various games will be played by those attending the party. The games will be aimed at every age from 7 to 70.

In keeping with the Christmas spirit, carols are to be sung by a special choir. The audience will be asked to join in the singing.

Everyone is invited to this Broadmoor Lutheran "Potluck Christmas" party, and to join the members of the church and Sunday school in ushering in the Christmas spirit.

Broadmoor Church Sermon Topic Is Announced

The second sermon of the Advent Season will be given this Sunday at the Lutheran Church of Broadway by Pastor Max Zschiegner.

Pastor Zschiegner will center his thoughts around the theme: "Why Is There Seemingly Delay In Christ's Coming?"

The sermon will be held in the recreation center, White street, just off 87th street, beginning at 11 a. m.

The Advent season marks the anniversary of Christ's coming, and at the same time the nearing approach of the world's end and Judgment Day.

"Record" Reminiscence

From the "Record" 10 Years Ago
November 29, 1939

In a far reaching endeavor to solve the pressing transportation problems of local citizens, Daly City this week inaugurates her new municipal bus system. The service will culminate months of research and planning on the part of city officials, and will be the city's second major venture into the field of municipal ownership.

Work is expected to start on the $2,200 Brunswick street surfacing job next week.

Josephine Rawi, 327 Crocker avenue, last week was pledged to Lambda Sigma, honorary professional pharmacy sorority at the University of Southern California.

Mr. and Mrs. Carl Sirvain, 6231 Mission, held a surprise birthday party for their son, Carl, on his 30th birthday, Sunday.

Colma Merchants won the final game in the WPA Recreation "B" league Sunday, beating Mission Kiwanis 7 to 4.

From the "Record" 20 Years Ago
November 29, 1929

Councilman A. J. Bodien was back on the job again Monday, having recuperated from a nose and throat operation which he underwent on November 15.

Julius Twesten, recently appointed as councilman, was formally installed taking the place of Councilman T. P. Moran.

Those who will be playing basketball for the Jefferson All-Stars this year, under Manager Vic Barsky, include Charles Aiello, Morris Plansky, Lawrence Kennedy, Ray Doyle and Lloyd Lagomarsino.

The annual bazaar biven by the General Pershing PTA was exceptionally well attended this year. Great credit goes to Mrs. Hassett, principal of the school, and her teachers.

Mr. and Mrs. Peter Conci, of Parkview avenue, entertained a large group of friends at a house warming at their beautiful new home last Saturday evening. Among the guests were Mr. and Mrs. R. Sturtevant, Ed Ford, Gus Ford, H. Hutching, Jack Guisti, V. Nardelli, J. McDonald, Fields, V. Conci, Cliusa Jr., Pierce, F. Garibaldi, A. J. Green.

TALENT ASKED FOR BROADMOOR CHRISTMAS PARTY

A call has gone out for any and all talent to converge on the American Legion, the Veterans of Foreign Wars, and the Broadmoor Property Owners Association in connection with the gala Christmas party to be thrown for the tiny tots in the village.

A two hour program is on the slate, therefore a goodly number of gifted persons will be required to fill the bill, scheduled to be held on December 24, or the night before Christmas, on the corner of 87th and Washington streets in Broadmoor.

Ray Flanagan, commander of Legion Post 824, asserted that of course, the present plans are tentative and are contingent on the weather. If it should rain, he added, the party probably will be given at the Community Center.

Roy went on to relate that nothing is being spared to make the event a real thrill for the small fry. A giant Christmas tree, over 20 feet high, glistening with lights and adornments will be the center of attraction.

At the crucial moment, a Santa, clad in red garb and all the paraphernalia, will come forth to give presents to the eager children, Flanagan declared.

Consequently, he urged that all persons having anything to offer in the line of entertainment should contact immediately any one of the three organizations mentioned.

Fahey Does Not Choose To Run

Judge John J. Fahey this week denied he intends to become a candidate for the district attorney's job.

The judge recently handed in his resignation from the South San Francisco position of justice of the peace. This will become effective January 1.

"I have no intention of running for district attorney. I'm resigning to devote full time to private practice of law," Fahey said.

There has yet been no word from the board of supervisors as to whom they will appoint to take Fahey's place.

Fahey's partner in law, Thomas Bocci, has been mentioned as a possible candidate for the judge's bench.

CITY OFFICIALS TO INVESTIGATE SEWAGE PLANTS

Examining the ins and outs of sewage treatment plants this week, city officials are considering plans for a disposal unit in Daly City.

It tentatively was decided earlier by the officials that the most economical method of dumping waste, now that the state has ruled out the ocean, is through construction ouf a sewage treatment plant.

With this in mind city officials have been visiting various units throughout the Bay region. To date they have not found any one completely satisfactory plant, but they have received many ideas, Mayor Paul Green said.

"By the time we complete this survey, we should have a better idea as to unit size and cost for Daly City," Mayor Green said. "Only then will we be able to tell if a plant is the answer for this area."

The other "answer" is to be found in a $250,000 pipe line to connect Daly City with San Francisco Sunset district sewage treatment plant. However, officials are doubtful as to whether or not, over a long peoriod of time, this would be cheaper than building their own plant.

Meanwhile, R. A. Klassen, city engineer, is revising his plans for a 25,000 population capacity plant. He is now working on figures for a 40,000 capacity unit, Mayor Green said.

When Klassen's figures have been completed, the city will have some idea as to the cost of a proposed sewage treatment plant.

cital, Boby Paredi, trumpet soloist with the band, will play a special arrangement of "Holy City."

In addition, the OLPH Girls' High School Choir will sing appropriate carols. They will be under the direction of Sister Superior Clarice.

Christmas music by such all time favorites as Jerome Kern, Sigmond Romberg and Victor Herbert also will be played by the band.

A full program of the conocert is to be published in the "Record" at a future date.

Everyone is invited to attend the holiday concert to be given at the OLPH school December 18 at 2 p. m.

Building Permit Issues Down

Perhaps it was too much turkey, or merely the fact that Thursday was a holiday, but last week only two building permits were issued by the city.

Largest of the permits went to R. Tretten to build a small wooden frame store at the corner of 39th avenue and Junipero Serra boulevard. This job was valued at $7,875.

C. Secco, 7255 Mission street, was issued the other permit. He had $200 worth of neon tubing, reading "Motor Secco Center," put up on the Mission street building.

ABOUT SPARK PLUGS

Many a service, or filling, station has special equipment for testing spark plugs and will do it for you without cost, advises the National Automobile Club. That it pays to have such a test made occasionally is evident in the statement of one of the leading car manufacturers that one faulty plug has been shown to reduce gasoline mileage by as much as ten per cent.

Crocker PTA Offers Many Gifts At Annual Bazaar This Friday

Ending the year with a bang-up event, the Crocker PTA will hold its annual bazaar this Friday, December 2, at Masonic Hall, 17 Hillcrest drive.

This will be a boon to Christmas shoppers, as many items suitable for gifts are to be on sale. Among these will be several hand-made articles such as towels, napkins and the like.

There will be plenty of time for the Christmas shopper to look around. The bazaar will be open from 10 a.m. until 4 p.m.

A special luncheon will be served from noon to 2 o'clock for those hungry shoppers.

Special feature of this year's bazaar will be the "wishing well." This, under the charge of Mrs. Betty Kohlbrenner and Mrs. Emma D'Isep, will offer many some interesting moments.

Another feature will be a food table whereon will be many home made cakes, pies and candies for sale.

Mrs. Erma Schmidt, PTA president, cordially invites the public to attend the annual bazaar.

DC Garden Club Meets Tuesday

Meeting at the home of Mr. and Mrs. Charles Hansen, 17 Muirwood drive, Tuesday, December 6, will be the Daly City Garden club.

The meeting is to begin at 8 p.m. at the Hansen home.

Principal topic of discussion for the evening is to be a talk by Shirl Mollette on gardening in general. Mollette hopes to offer some suggestions on what to do with the garden during the winter months.

Not only club members, but anyone interested in gardening is invited to attend the Tuesday evening meeting.

Second Advent Sermon At Bethel Lutheran, Sunday

Second of a series of Advent sermons will be delivered this Sunday at 10:45 a.m. at the Bethel Lutheran Church, Alemany and Huron.

These sermons are being delivered in preparation for the Christmas season.

This Sunday The Rev. Herbert P. Schroeder will preach on the subject: "The Coming of the Son of Man."

The Sacrament of Holy Communion will be celebrated in the service. Also the members of the adult membership class are to be received into the communicant membership of the church.

Meanwhile, the church Boy Scout Troop No. 172 is to hold a "Parents Night" next Thursday evening in the parish house. This meeting is held to acquaint parents with the program of the organization.

Edward Miramontes is troop leader. He is assisted by William Hutchison.

Xmas Home Tour Planned Dec. 14

The "Christmas Season Tour" of Hillsborough homes held first place on the agenda at Serra High School Mothers' Auxiliary meeting recently.

Mrs. Herman Kruse, president, announced that everything is in readiness, homes chosen and the time set for 1 to 4:30 p.m. December 14. In discussing plans, Mrs. Maurice McCormick, tour chairman, stated that this year's tour promises to be an outstanding and truly delightful contribution to the pleasurable activities of the pre-Christmas season. Tickets, red replete with silver maps, are now available from Mrs. Joseph Sweyd, 307 Avila road, San Mateo, and Mrs. C. J. McDermott, 429 Hobart street, San Mateo.

Early reservations are urged as tickets have been limited with the comfort of tour guests in mind. The public is invited to share with Serra mothers the pleasure of this tour.

Miss Peggy Hanley To Wed William Lecaro This Month

Mr. and Mrs. Elmer Hanley, 43 Woodrow street, Thanksgiving Day announced the engagement of their daughter, Peggy, to William Lecaro.

The couple, both of whom attend the University of California, will be married sometime in the middle of December.

Following the wedding, they will fly to Chicago, then on to Detroit to purchase a new car. They will then drive home via the southern route.

Miss Hanley is a graduate of Jefferson Union High school and a senior, majoring in mathematics, at UC. She is also a member of Beta Sigma Phi.

The groom was a sergeant in the South Pacific during the war. He is a language major at UC, and now in his junior year.

After their wedding the couple will continue their respective studies at the university.

"Come As You Are Dance" Dec. 10th

No need to put on the top hat or formal for a dance December 10 sponsored by the Marching Unit of the Women of the Moose No. 739.

On that Saturday evening, dancers will be asked to "Come As You Are." This means just what the title of the dance implies . . . well, almost.

The dance is to be held in the Polish Hall, 22nd and Shotwell, San Francisco. Music will begin to soothe the restless feet at 8:30 p. m. Refreshments will be served.

All money from the dance is to be used to purchase uniforms for the unit's band, members of which are unable, like Saturday night dancers, to "come as they are" when they play.

Miss Quickert Becomes Engaged To H. Worthington

It was a double treat at the Mr. and Mrs. Tom Quickert Thanksgiving dinner party last week when their daughter, Miss Eleanor Quickert, and announced her engagement.

Miss Quickert, 28 Peoria street, will marry Harley Worthington, son of Mr. and Mrs. A. R. Worthington, in "about" a year.

The bride-to-be attended Jefferson High school and is now employed by the American Trust Co. The groom is a familiar figure at Milo's Market.

In addition to it being a Thanksgiving announcement, the groom's mother was also celebrating her birthday last Thursday.

Steven Claus Is Baptized Thursday

Thanksgiving Day will always have a special meaning to Steven Bruce Claus whom on that day last week was baptized in Holy Angels church, Colma.

The two-months-old boy is the son of Mr. and Mrs. Louis Claus, Sacramento. Mr. Claus is a graduate of Jefferson High school, and until recently lived in Daly City.

Holding the baby at the christening were Mr. and Mrs. Louis Merlo, 57 Vale street. Mr. Merlo is the brother of Mr. Claus.

Father John McElligott baptized young Steven.

Following the service, Thanksgiving dinner was held at the home of Mr. and Mrs. Merlo. Steven enjoyed the bird only by proxy, feasting on a lighter diet of milk.

Fleet Auxiliary Puts Out Anchor For Xmas Party

Decking the "ship" with boughs of holly, the members of the Ladies Auxiliary Fleet Reserve Association, Unit 48, will hold a Christmas tree party Tuesday.

The party is to be held in the San Francisco War Memorial building, room 308. Lights on the tree will go on at 8 p. m. as will the festivities.

Lady "salts" will help to entertain their sea going husbands at the event. Various forms of games and entertainment are planned.

All members of the reserve and the auxiliary are invited to the party.

Mrs. Katherine Jefferys, group president, will be chairman for the evening. She is to be assisted by Mesdames William Shea, Virginia Bell, Ruth Bishop, Gladys Holt, Thelma Malicotte, Mary Derdzinski and Catherine O'-Strander.

DC Sportswomen To Hold Election, Party, December 14

Election of officers for the Daly City Sportswomen will be held December 14 at the home of Laurene Fox, 275 Woodrow, it was learned today.

Members will be asked to chose officers from the following nominations: Betty White, Gwen Reed, president; Gina Tranberg, vice-president; Laurene Fox, secretary-treasurer.

A holiday spirit is expected to prevail at the December 14 meeting, as the members will exchange inexpensive gifts.

Meanwhile, several hours of swimming at the Marina memorial pool were enjoyed by members of the organization November 16. After the swim they conducted their regular meeting at the home of Mrs. Virginia Meierding, 1319 Gough, San Francisco.

Members attending the joint swimming and business meeting were the Mesdames Frances Nenstiel, Gina Tranberg, Betty White, Lillian Miller, Vi Prigmore, Gwen Reed, Laurene Fox, Mary Sullivan, Mary Shalkowski, Virginia Meierding, and Miss Ruby Miller. Mrs. Dolores Wright was present as a guest.

The organization is looking for new members and anyone interested in joining is urged to contact any of the members. The Sportswomen's group is stressing the social angle and it is not necessary to be an ardent sportswoman to join the club. However, for those wishing to engage in sports, fly casting, bait casting, shooting, bowling, swimming, riding, and other sports are available.

John's Love Pays Jeff High $125

Close to $125 was cleared by the Jefferson High school speech department in their recent production of "John Loves Mary," Miss Eunice Seaton, director, said today.

The money will go into the drama fund for future activities of this nature. In addition, some of the money will be used to take students from the dramatics class and public speaking class to Broadway plays in San Francisco.

Meanwhile, the thespians are now working on a special Christmas program to be presented to the student body. Also under study are some one-act plays to be given during the assemblies.

Lutheran Church Of Our Savior Holds Services

During the 11 a.m. worship service this Sunday at the Lutheran Church of Our Savior, Junipero Serra and Garfield, The Sacrament of Holy Communion will be administered.

Pastor Robert G. Konzelman will deliver the second in a series of advent sermons on "The Christian Life and Its Consummation."

At the 7:30 p.m. hour there will be a "Sunday Evening Forum" to which everyone is invited. The subject to be presented by the pastor will be "Man's Relationship to God." Following the lecture the floor will be open to the congregation for question and discussion. People are invited to submit their questions or problems relating to the Christian life in the question box at the church, or to mail them in to the pastor. Questions and problems, so received will be discussed without reference to parties submitting them.

These Sunday evening forums are providing an excellent opportunity for residents of the community to get help with their personal problems, and problems in making Christianity work. Everyone is invited.

Pastor Konzelman stated however that nursery facilities for preschool children are provided at the church only during the morning worship.

Sunday school will convene at 9:45 with the tolling of the church's bell. Pastor Konzelman will be in charge of the Sunday school and plans for the annual Christmas program will be presented through the classes.

The Women's Guild and Missionary Society, of which Mrs. Everett Pimentel is president, will hold its meeting this Tuesday evening at 8 o'clock in the home of Mrs. Arthur Blakely, 607 Victoria street. Mrs. Ray Baker will be co-hostess.

Wednesday evening the vestry of the church will meet at 7:30 in the church with President Karl Kraus presiding.

Thursday evening the teachers will hold their monthly meeting at the church while the Boy Scouts, Troop 82, hold their weekly meeting in the social room. Both meetings will begin at 7:30.

S.F. Elks Club Plans Affairs

Elks of San Francisco Lodge No. 3 Friday night, December 2, will take part in a special ritual in the Elks Club.

Judge John J. Fehey Jr., exalted ruler, will preside over the Elks' annual Memorial Services at 454 Post street.

A dinner will precede the services, and an informal supper will conclude the December 2 program.

Meanwhile wives and lady friends will be guests at a Ladies' Night dinner and program Wednesday evening, December 7.

Following this event, a stag French Night dinner and entertainment is planned for the following Saturday evening at the Elks Club.

Edgewood Terrace Civic Association Social Night A Success

Reported as a huge success today was the Edgewood Terrace Civic Association Social evening held November 19.

Some 70 people enjoyed song and festivities, along with delicious lunches.

Using a sewing machine today is Mrs. John Sorensen. The machine was presented to Mrs. Sorensen following the social event.

Meanwhile, watch the "Record" for the next meeting date of the Association. It will be changed this month, due to the Christmas holiday.

Women Of Moose Sewing Club Holds Xmas Party Friday

A special Christmas dinner will be held by the Women of the Moose, Chapter No. 739, Sewing Club at 7:30 p.m. this Friday, December 2.

Pauline Paulsen, publicity chairman, announced the dinner will be held for the members of the club and their friends and family. More information may be obtained by contacting the chairman.

The next regular meeting of the group will be held December 7 at 8 p.m. in the Moose Hall, 3053 16th street, San Francisco.

At the last meeting Pearl Smith was hostess. This meeting was held Wednesday in place of the canceled November 16 conclave.

Legion Auxiliary To Hold Luncheon

A special luncheon and game session will be offered Tuesday, December 8, by the American Legion Auxiliary No. 410, it was announced today.

The luncheon will be under the direction of the "Luncheon Is Served" company. It is to be held at 12:30 p.m. in American Legion hall, 474 San Diego avenue.

Following the lunch, women of the auxiliary will present a game session. Various prizes are to be awarded winners.

Tickets for the event may be purchased at the hall, or from any Auxiliary member.

The public is invited to attend the luncheon party.

Colma-Vista Grande Aerie 1848 FOE Holds Social Evening Saturday

Turkeys and duckss will be given away this Saturday night at the regular meeting of the Colma-Vista Grande Aerie 1848, FOE, social evening.

All Eagles and their friends are invited to attend the entertainment.

Tickets may be obtained by calling Tom Rae at JUniper 4-1610, or dropping in to see him at 6272 Mission street.

Santa Claus Meets With Eaglets On December 18th

Eaglets of the Colma - Vista Grande Aerie 1848, FOE, will have a first-hand opportunity to view Santa Claus December 18.

On that Sunday the jolly old fellow will be at the Aerie hall, 3346 San Jose avenue. He will preside over a Christmas party which will last from 1 to 8 p.m.

Present plans call for rotating the children according to age groups from one to 12 years. All Eagles are requested to bring the younger children, six and under, during afternoon sessions.

Each child will have a separate interview with Santa Claus, then he, or she will pass to another section of the hall to receive gifts. Ice cream and candy are to be served.

In addition to all of this, a program of entertainment has been planned for the kiddies.

Members who have not yet notified the Aerie regarding the number and ages of their children are asked to do so immediately by contacting Tom Rae, 6272 Mission, or calling JUniper 4-1610.

Remember, the age group is limited to children 12 or under. Each child must be accompanied by a parent.

Those in charge of the party include: John Patten, chairman, Wilbert Carrington and Delbert Fehl. The Auxiliary committee is headed by Mrs. Gretta E. Wone, assisted by Mesdames Edrie Summers, Ethel Morten, Midge Fehl, Patricia Arnaudo and Eleanor Clark.

The meeting is to be held at the home of Mrs. Harry Fox, 2347-F 20th avenue, San Francisco at 12:30 p. m. Luncheon will be served.

Meanwhile, members held a party November 19 in the C. P. O. club on Treasure Island. The group was received by Mrs. H. Towne, club manager.

Guests at the party included Mr. and Mrs. E. Smith, George Lake, Ralph Whiting, Harry Fox, Kenneth Reynolds, John Redlinger, T. E. Connolly, Harry M. O'-Strander, M. Kimmel and George Young.

COME ONE AND ALL TO THE OLPH MOTHERS' CLUB CHRISTMAS BAZAAR THIS SUNDAY; MANY GIFTS ON SALE

Red and green festoons, silver bells and holly berries have made the Our Lady of Perpetual Help school auditorium a wonderland for this Sunday's Chrisamas bazaar.

The mammoth bazaar, to be held from 8 a. m. to 7:30 p. m. is sponsored by the OLPH Mothers' Club.

Members of the club are now working at a rapid pace to have everything in readiness so that the doors can be opened wide immediately after the 8 a. m. mass.

Mrs. Sue Schroeder, chairman for the surprise package booth, announced that she will be assisted by Mesdames Lillian Brooks, Doris Duke and Stanley, one of the new mothers.

The sewing booth chairman, Mrs. Elsie Thomson, is to receive help from Mesdames Anna Mae Cordellos, Elinor Burns and Kay Tabor.

In the cake booth will be Mrs. Esther Nolan, chairman, and Mesdames Sue Hopman, Janet Gray, Dorothy Strabhie and Marq Linhares.

Selling candy will be Mrs. Betty Brush, chairman, aided by Mesdames Mary Stone, Maureen Malloy and Florence Lewellyn, another new member of the club.

Other chairmen and assistants include Mesdames Lee Miller, chairman, Jean Denning, Amy Siino, Veronica Whelan, Dorothy McInery, Dorothy Carrington, Grace Rose, Anita McArdle and Valetta Ennis, lunch counter and food sales; Elinor McDougal, chairman of the doll booth.

The children's concessions will be taken care of by Mrs. Mary Thiebaut and Mrs. Mary Tielsman. Mrs. Jo Valente and Mesdames Isabel Liberti and Marian Balestreri will be in charge of the religious booth.

Remember the place to buy your Christmas gifts will be at the OLPH Bazaar. Fancy frosted cakes, pies, candy, home made sewing articles of all descriptions and children's toys will be for sale during the bazaar.

The public is invited to attend and spend.

Meanwhile, the 5th grade Mothers' Club whist will be held in the school auditorium next Tuesday, December 6. Mrs. Lee Miller and Alma Garibaldi are in charge. Everyone is invited to attend.

Women's Council Of Grace Church Has New Officers

Climaxing a year's work, the Women's Council of the Grace Presbyterian church enjoyed a wonderful program at the church last Wednesday.

Mrs. Walter Kesler, president, presided. Mrs. Einar Hanson conducted the opening devotional period.

Reports were given by every Circle. These were delivered by Mesdames Tom Swan, Arthur Benofsky, William Sea, Willard Hodge, Joe Long, C. P. Noe, Maurice Gounod, Anthony Carrothers, William Hassett, A. B. Gensel and George McKinney.

Mrs. Carrothers and Mrs. Lulu McFadden gave reports for the Women's Council.

Mrs. Lela Frazier, program chairman, introduced Mrs. George Freeland, who sang the solo "The Man of Galilee."

Mrs. Joe Long told a story of a Japanese incident entitled, "A Gift Was Given."

Mrs. William Harberts presented the work of San Francisco Presbyterial. The council then voted to affiliate itself with the National Council of Women.

The meeting drew to a close with the election of officers for the coming year. However, before this was done Mrs. Walter Kesler was presented with a gold pin for her work as past president.

Next, Mrs. S. H. Holcomb read a report from the nominating committee. Then came the election and the installation service, the latter under the direction of Mrs. Harberts.

New officers include: president, Mrs. Henry Adami; vice-president, Mrs. Stanford Hannah; secretary, Mrs. Carrothers; treasurer, Mrs. McFadden.

The chairman of the various Circles are Mesdames Robert Turner, H. J. King, Harry Miller, A. E. Stierl, Joe Rieth, S. H. Holcomb.

Refreshments were served during the social hour by the Circle No. 6 with Mrs. Holcomb acting as chairman.

The typical American city in recent decades has shown a strong tendency to decentralize.

Mrs. M. C. Davis

Funeral services were held Monday for Mrs. Minnie C. Davis, 63, 6712 Mission, who died November 26.

A long-time resident of Daly City, Mrs. Davis was born in Illinois. She is survived by two sons, Anthony Davis, Daly City, and Alfred Davis, also of Daly City.

Services were held at the W. C. Lasswell Company chapel.

"FORMATION FLYING" ON THE HIGHWAY

Motorists are advised by the public safety department of the National Automobile Club to leave "formation flying" to the boys up in the sky. The motorist who indulges in "formation flying" on the traffic line can be just too sudden for him to handle, and then comes serious accident and quite possibly sudden death.

INDIANS WOBBLE THRU THANKSGIVING DAY GAME FOR 12-0 WIN OVER SSF WARRIORS IN LAST 4 MINUTES OF PLAY

By Milton Tromborg

Winding up the 1949 season, the Jefferson High blue and gold machine in the last four minutes of play Thanksgiving Day wrestled a 12 to 0 victory from the South San Francisco Warriors.

During 44 minutes of play a crowd of 4,000 watched, through dense fog, a close-fought game. Then during those last crucial minutes the Indians scored.

In addition to the large crowd, the game was highlighted by the Jefferson band (dressed in their new uniforms), yell leaders, and the flashing gold and blue of the Indians and blue and white of the Warriors.

School yells and spirit gave the game more color, and on the whole it was an interesting event to watch.

This, by the way, makes the fourth straight Thanksgiving victory of the Indians over the Warriors.

If he were to pick an outstanding player, this writer would choose George Ritter, fullback for the Jefferson eleven. Another bit of excellent playing was chalked up by Roy Childress as line backer.

It was Ritter who sparked the Indians to victory by setting up the first tally of the game and scoring the second one on a 22-yard run in the last play of the game.

Other lads who played a good game were Don Lunghi at halfback, Frank Druhan at tackle, Rich Harrison, tackle, Leo Bricker, center, Lou Picollotti, line backer, and Leroy Gonzales, end.

Previous to this game, the Jefferson line had been outstanding in every game that they had played, but as they say, every team has an off-day, and the Jeff line surely had theirs in this game.

Their tackling was poor, their charging (if you call it that) was out of this world. The boys just could not do a thing right, and this kept the score down for three quarters.

The South City Warriors looked very poor, and even though the Indians had a bad day, the Warriors did not scare the Indians.

In the first quarter, both teams played even ball, with South City having a little edge on offense.

In the second quarter, both teams just did not have anything, and the game went along very slowly.

At half time the score stood at 0-0. After the Indians had defeated a storng Palo Alto team by the score of 35 to 14 the week before, the people were wondering how they did it.

At the start of the third quarter it looked like the same thing all over again. The Indians were missing their tackling and blocking.

The third quarter ended at 0 to 0. Up to the last four minutes of the fourth quarter, the Indians looked very poor. It looked as if the game was going to end in a tie.

Then something happened. The Jeff line came to life, and the holes started to open. Jeff was pushing South City all over the field. Ritter and Lunghi ran the ball down to the Couth City two-yard line.

Here quarterback Vince Baggetta handed the ball off to halfback Don Lunghi, and he plowed into the center of the line and scored the first Jeff tally.

Ed Perrens came in and missed the try for the extra point, and Jeff took the lead of 6 to 0, with about two minutes of game time left before the final gun would be sounded.

Jeff kicked off to South City, and on the first play, Don Lunghi intercepted a pass on the Jeff 42-yard line.

Here the Blue and Gold machine started a drive for another tally.

After runs by Ritter, Gallagher, and Tienken, the ball rested on the South City 22-yard line.

Roy Childress came into the game at quarterback, called a time out and looked to see how long they had before the gun would go off.

The Indians came out of the huddle, while the crowd stood in question. Could the Indians score on the last play of the game?

Childress called the signals, Kliem went out as a flanker, the ball was centered, and just as Childress handed the ball off the gun went off, but the play was in motion.

Ritter took off through tackle, but even though a few South City tackles hit him, he was going to reach the goal line.

After getting in the secondary, Ritter headed for the sidelines, and this time their was no stopping him, as he raced into the end zone for the tally, and Jeff again had beaten the Warriors.

LIKE CATCHING FLIES

Small bolts and nuts have a way of dripping into some inaccessible spot around the car, points out the service department of the National Automobile Club. If there is no magnet handy, try putting a ball of grease on the end of a wire or small pointed tool, and fishing for the missing nut. If it is not too far away, it can be picked up.

Leghorns Gobble Up Mustangs 33-6 Thanksgiving Day

by Allen Pettigrew

Still wondering what they hit Thanksgiving Day are the Daly City Mustangs who took one of their worst drubbings of the season, 33 to 6, from the Petaluma Leghorns.

From the outset the well organized Leghorns had the game in check. They received the opening kickoff and on a sustained drive went 68 yards to a touchdown without relinquishing the ball.

The try for point made it 7 to 0.

Midway in the period the Mustangs put together three first downs and a tally by sending Robby Dockery over from the two yard line. The try for extra point was partially blocked by the hard charging Leghorn line. Score 7 to 6.

The second quarter found the Mustangs' Duke Marlowe fumble on his own seven yard line from where the ball rolled crazily into the end zone where it was recovered by a Leghorn. Another score for the Petaluma boys. The try for point was good.

Despite numerous opportunities to tally, the Mustangs were unable to produce another touchdown. Thirty seconds before the halftime the Mustangs were on the Leghorns' two yard line, and were held for no gain on three downs by a stubborn and superior line.

In the second half the Leghorns' backs went wild when the Mustangs weakened. Lagorio, Spangler, Klemenock and Acorn went the distance over the Mustangs' goal, Lagorio scoring twice.

It was apparent from this game that experience and reserves are the deciding factors. Stellar jobs were turned in by Martin, Stevens, Listman, Myers, Plyer, Silva and Rivers. These boys helped to keep the score down.

This, unless a post season game is played, ends the Mustangs efforts this year. The trys were not bad, either. They came up with eight wins and only three losses.

FRANK DRUHAN MAKES THE 1949 PAL TEAM

By Milton Tromborg

At the end of the 1949 football season, the sports writers in the P.A.L. pick their team from the schools like Jefferson, Lincoln, South San Francisco, Burlingame, San Mateo, Sequoia, San Jose, Palo Alto.

This year, the All-P.A.L. has the speed and power in both line and backfield.

Jefferson placed tackle Frank Druhan on the first team. Frank has played wonderful ball for the Indians all year and he had no trouble in making the frist team.

Don Lunghi, one of the power houses on the Jefferson eleven, lost out by one vote to Jim Unger on Lincoln.

Lunghi made the second team as he did in 1948.

Leroy Gonzales, Jess Martinez, and George Ritter all got honorable mention on the All-P.A.L. team.

Here is the 1949 team and believe me, this is one of the best teams ever to be picked, and if not in the line, take a look at the backifeld.

1949 P.A.L. TEAM

Ends: Bud Wickert, San Jose; Merle Flartty, Palo Alto.

Tackles: Frank Druhan, Jefferson; Barry Brown, San Jose.

Guards: Sam Balestieri, South San Francisco; Connie Condis, Sequoia.

Center: Jim Morton, Lincoln.

Back: Johnny Leal, San Jose.

Back: John Bettencourt, Palo Alto.

Back: Jim Unger, Lincoln.

Colma Boys Swing Down Another Rung On Seals Ladder

Rocked in the cradle of the deep, the Colma Boys Club went even deeper last Sunday losing a game to the Ayoob Sports Shop, 4 to 0.

This was the sixth loss for a team that during the summer months proved itself the best in its league. However, when they entered the Seals Stadium, they went over their heads.

Only one more game remains to be played in this league. It will be held this Sunday at Seals Stadium at noon. At that time the Colma boys will battle it out with the Junior Seals. The last session with this team ended with a 10 to 7 victory for the Seals.

Poor infielding can be chalked up as the reason for last Sunday's flop. "Babe" Ottonello pitched a nice game, allowing only seven hits. However, the fielders let most of the balls go by, allowing the Ayoob lads to cross the home plate four times.

Junipero Merchants Down Les Vogel 13 To 7; Tied For First In League

Outhitting and outpitching Les Vogel, the Junipero Serra Merchants last Sunday came through for their fifth straight win, 13 to 7.

With this game the Merchants secured a first place tie with Syl's Service in the Class "AA" National League. Whether or not the Daly City team cops the pennant may depend on this Sunday's game when they meet Horsetrader Ed's.

The bout with Horsetrader Ed's will be played on Harrison field, beginning at 1 p.m.

In what was perhaps their best game of the season, the Merchants leaned heavily on Fred Fazzio, relief pitcher, who took over the mound from Fred Luccia in the third inning.

During his six innings, Fazzio allowed three hits only, and but one run. However, not all the credit can go to Fazzio. Heavy hitting on the part of several Merchants players accounted for the majority of the 13 runs.

Lou Valetta was at bat six times, during which he managed to hit two triples and two doubles. He crossed the home base four times.

Hank Dotoli also brought in two men with that number of hits. Another fancy lad with the bat was Bill Newman who racked up two doubles and a single.

In the home run league were Neil Pezzola and Hook Arata. Pezzola drove a homer down the center field over the clubhouse, while Arata sank one over the left field fence. The Arata homer should be given double credit, as this boy is a left-handed hitter.

DANGEROUS HOURS

As daylight hours decrease with the approach of winter, more walking and driving is done during hours of dusk and darkness. These are the most dangerous hours for both motorist and pedestrian, points out the California State Automobile Association, urging special caution when walking or driving home from work.

Sarto Nine Stop Clerks; Lose Two Pitchers

Short changing the Crocery Clerks Sunday, the Sarto nine walked off the field with their eighth straight win, and a winning score of 11 to 4.

This puts them squarely on top of the Class "A" National league, and with only one more game remaining to play they have cinched pennant honors.

However, this last game with the San Francisco Indians at Golden Gate Park Sunday noon, may be the toughest of the season.

It isn't that the Indians are so rough, but the Sarto boys may go into the field without a pitcher. Sunday, Henry Morgan was unable to pitch because of a recent hand operation. Nor will he be able to throw the ball this Sunday.

Taking Morgan's place, and holding the Clerks down to six runs, was Bill Rainey. However, toward the end of the game bad luck struck at Sarto when one of the Clerks broke a bat. A part of the bat smacked Rainey's pitching hand, putting him out of commission for the last game.

Chances are the Sarto boys will go on the field this Sunday with Faustino Quitevis on the mound. Faustino is a par excellent hitter, getting two for four last Sunday, but there is still some question as to his pitching ability.

Jefferson High Night School Basketball League Opens Season Tuesday Night; To Play Full Winter Schedule

Winter may not be here by the calendar, but in the sports world it has arrived with the Jefferson High Night School Basketball League opening business Tuesday night.

As usual, all games this year will be fought out on the floor of the Jefferson High school gym. Games are scheduled to begin Tuesday, and will be held each Tuesday and Thursday through February, Coach Glenn South said.

Each night two of the eight league teams will be looking for their opponent'sbasket. Present plans call for the two contests to begin at 7:30 and 8:30 p.m., respectively, each Tuesday and Thursday evening.

There are many new teams in the league this year, if not players.

"Most of the boys from last year will be out on the floor this season," Coach South said. "However many of them will be playing under different team names."

League teams include: Union Liquor, Colma Boys Club, Daly City Boys Club, Neville Motors, Tromborg Plumbing, Callan Realty, Doelger Builders, and Sunset Athletic Club.

It might be remembered that last year, the Sportsmen, no longer playing under that name, walked off with the top honors.

However, close behind was the Colma Boys Club, losing the title by only one game. Odds are that the Colma lads will be right in there again this season.

Anyone interested in basketball is invited to attend any and all of the games. Admittance to the gym is free, and the players will welcome support.

As yet no schedule of games has been worked out. However, a complete schedule will be printed in the "Record" sometime this month.

Mustang Named To WFA First Team

Only one member of the Daly City Mustangs made the first team of the Western Football Association this year.

That lad is Chuck Adams, flashy Mustang end.

The South San Francisco Windbreakers, WFA champions, took top honors with five men named to the first line team.

The first team, as released by the WFA office includes:

Ends: Bill McCormick, Sunset AC; **Chuck Adams, Daly City Mustangs.**

Tackles: Cliff Simmons, South San Francisco Windbreakers; Bill Duncan, Piedmont Buds.

Guards: Walt Roppolo, South San Francisco Windbreakers; John Carey, Oaklond Rams.

Centers: Bill Gebbie, Sunset AC; Ray Marion, South San Francisco Windbreakers.

Backs: Robbie Barbetti, South San Francisco Windbreakers; Frank Van Houttie, Sunset AC; Alvin Patterson, Oakland Devils; Al Endris, Oakland Rams; Aldo De Tomasi, South San Francisco Windbreakers.

Touch Football "B" Crown Won By Jefferson

Champions of the "B" teams in the Daly City Recreation department touch football league today are the Jefferson elementary school boys.

Earlier the Our Lady of Perpetual Help school team took the trophy in the "A" division. They won this title after winning six consecutive games and losing none.

Jefferson took the OLPH "B" team, however, by a score of 12 to 9 in the final game, and came up champs in that league.

Other positions in the leagues find:

Crocker and Woodrow tied for second place in the "A" division. These teams are listed, not by games won but by number of points.

In the "B" division OLPH was second with Crocker third and Woodrow Wilson fourth. This was based on games won.

Members of the two winning teams will soon receive individual medals for recognition of their good play, Erle Johnson, supervisor of recreation, said.

TRINITY RIVER STEELHEAD

Steelhead anglers have enjoyed some first-rate sport during the past week along the Trinity river in Trinity county, according to the National Automobile Club. They have taken several fish weighing nine and ten pounds.

LARGE STRIPERS LANDED

Many large striped bass have been landed during the past week along the waters of San Joaquin county. Best fishing has been had on Middle river, Whiskey slough, Potato slough, and the Mokelumne river.

DC Boys Club Win Game With CNSGW

By Angelo Craviotto

Despite cold weather the Daly City Boys Club recently took the California Native Sons of the Golden West to the cleaners 11 to 1.

The Daly City boys were headed for a victory from the first inning, when they ran up a four-run lead over the CNSGW.

At the close of almost every inning the Daly City team had made another run. It could be said in one sense that on the offensive end Jim (Sacthmo) Hatchel pitched all the game. He struck 18 men out of a possible 24.

Only one hit got by Jim. And this was the single score run up by the Sons. One of their men drove a homerun for an estimated 400 feet.

Jeff High Indians

From Milton TROMBORG'S TEPEE

By Milton Tromborg

Playing their rivals, the Jefferson High Frosh-Soph defeated the South City Frosh by the high score of 55 to 0 at Jefferson, last Wednesday.

Jeff scored 28 points in the first half, and the rest in the second half. Most of the second string played the second half, while the first string had a ringside seat at the scalping.

Four tallies were scored on passes, and the rest on runs. Jeff made all their extra points on runs.

The Jeff frosh-soph have had a good season and won games by the score of 27 to 0, 34 to 0, and 55 to 0. They have lost games by the score 13 to 12 and 27 to 0.

The frosh will send some good players up to the varsity next year, and if they play as they did this year, look out for the Jeff Indians, because they will be after the scalps of a lot of teams.

Machado Found Innocent

Following a trial in police court Friday, Manuel Machado, 124 Shakespeare, was found innocent of disturbing the peace.

Machado had been charged with creating a disturbance in a local tavern. However, when all the evidence was in, it was found that the Daly City man had been the victim of an attack.

Several others weren't so lucky. The following forfeited bail: John H. Watts, 182 Los Banos, drunkenness, $10; Lilburn C. Watts, 182 Los Banos, drunkenness, $10; Al Rodriquez, 720 Clayton street, San Francisco, drunkenness, $10; Richard W. Wilson, 823 Bruce drive, speeding, $15.

Control Of Ants In Home Advice Given By UC Man

Ants in the home can be effectively controlled with either chlordane, lindane or DDT sprays, says Dr. A. E. Michelbacher of the division of entomology on the Berkeley campus of the University of California.

These chemicals can be applied with a sprayer or a narrow brush, covering the runways of the home-invading ants. The insecticides should not be used near open flames, or on food and food utensils.

Ants in the garden, too, can be controlled with these sprays. The chemicals can be applied as solutions, wettable powders or dusts near nests or other places where the insects occur. Outdoor ants may harm lawns and orchards by their nesting habits, may spread aphids and other pests, and feed on crops such as seeds and nuts.

The most common home-invading ant is the Argentine ant which was introduced in California in 1905, the College of Agriculture entomologist said. Poison syrups, used as directed on the containers, will control these also.

The largest ants found in this state are the carpenter ants which measure up to half an inch or more. They may damage homes by constructing nests in the timber, but do not feed on the wood itself. They can be controlled by injecting dusts containing chlordane, lindane or DDT into the barrows.

SPORT FISHING FAIR

Sport fishing has been fair recently in the waters off Los Angeles county, reports the National Automobile Club. Parties have been bringing in sizable catches of both bass and halibut.

COAST TO TRACE NOISE

Motor car owners attempting to diagnose noises in their automobiles should bear in mind that one of the greatest aids to this process is allowing the vehicle to coast. If the noise is in the engine, that fact will be revealed by its disappearance when the power is allowed to idle. If it is in the body, it will be apparent by its continuance. Allowance should be made, however, for the fact that some noises in the body are due to vibrations caused by the rotation of the engine. These, of course, will be concealed when the car is coasting. Service experts always go on the theory that it takes two persons to run down a really elusive noise.

Bank Of America Mails Xmas Checks

Checks totalling $114,000 will be mailed December 1 to members of Bank of America's Christmas club in Daly City and Colma, Fritz Erickson, manager of the Daly City bank, said today.

This is part of the approximately 200,000 checks aggregating more than $21,000,000 to be mailed by the bank to club members throughout California.

Erickson commented that this money, so conveniently accumulated during the past 12 months, should prove welcome to the club members who will find themselves in a better position to meet year-end financial obligations, or make essential Christmas season purchases.

He added that enrollments for the 1950 Christmas club are now being accepted.

Dr. Robert Rodin, botanist on an exploring party in South Africa last year, will speak at the San Mateo Junior College Monday evening, December 5, on "18,000 Miles Through South Africa."

He took thousands of pictures of the people, plants, animals, and scenery and will show the color slides at the 7:30 o'clock meeting. The public is invited without charge.

The junior college lost the championship game to Menlo, 20 to 12, at San Mateo Saturday. The Mateans led twice in the game despite the loss of their all-conference candidate, Fullback Bill Calhoon, who suffered a shoulder separation on the second play of the game.

Following the game, the alumni met for dinner at the Hotel Benjamin Franklin and then went to a dance at which Ray Hackett and his band played.

Steady rehearsals are going on for the presenting of the comedy "George Washington Slept Here," in December, by the college Players Club. This will be the regular fall term production.

Miss Margaret Jackson of San Mateo won the Homecoming Queen's position, being selected by Ira Blue, radio sports caster, Mrs. Adaline Ross, fashions commentator, and John Wrentmore, field executive for the Boy Scouts.

State Gives SM County School Aid

San Mateo county public schools are scheduled to get $3,947,862 for current operating purposes out of the state treasury this year.

These were the figures released today by the California Taxpayers association. In addition to the aforesaid sum, school districts will have property tax revenue amounting to $6,799,754.

While this appears to be a large sum, still is not enough to keep up with the ever increasing needs of new school building. Hence, the necessity of the recent special bond issue, approved by voters November 8, for the schools. A good portion of this $250,000,000 will be used in San Mateo county.

Attendance base for state support to schools in the county is 332,759 for 1949-50 as compared with 28,782 for 1948-49.

CARE AT CORNERS

You can't be too carful at corners, advises the National Automobile Club. Modern traffic is heavy and fast and intersections are increasingly dangerous places for the motorist. At such places you can help keep yourself safe by slowing down, approaching with caution, and obeying all the signs and signals that are designed to channel traffic.

DAV Returns Keys To DC Man

Another set of automobile keys was returned to a Daly City resident this week by the Disabled American Veterans.

Clarence M. Gardner, 9 Cliffside drive, received his lost keys back as he had a DAV Idento-Tag attached to his key ring. This tag is a miniature license plate which enables the DAV to return 5,000 keys a month.

In addition to key-loss insurance, the Idento-Tag through contributions enables the DAV to maintain its free rehabilitation service for disabled veterans and their dependents.

For the motorists who wish extra tags for sets of keys the DAV has established a special order department.

DALY CITY—COLMA

Honored guest speaker at the regular Lions Club meeting Wednesday was Keith Breckenridge, representative for a drug business.

As guest of Dr. John Karsant, Breckenridge showed the Lions a movie on how drugs are manufactured. This included shots of everything from the growth of penicillin to sealing ether in cans for future use.

Meanwhile, last week the Lions were entertained by Jefferson High school pupils. Chairman of the day was Stanford Hannah.

Folk dancing was presented by Cecilia Sullivan, Donna Kullman, Charles Olsen and Gary McFall. The lads and lassies danced together and demonstrated some of the steps that are rapidly pushing jive into the background.

Phyllis McMacomb, accompanied by Nora Urcuyo, sang a solo piece.

She was followed by the hit of the program, Lauretta Freeman. Miss Freeman did an Hawaiian dance, that the Lions agree is one of the best to ever come out of the high school.

Information About Vet Compensations

Floyd D. Granger, veterans service officer, San Mateo county, called attention today to recent Congressional legislation, providing additional compensation for dependents for veterans receiving 50 per cent or more service-connected disability compensation.

To obtain the additional allowances, it is necessary that the veteran supply the Veterans Administration with the names of all dependents on whose account he is filing claim, and their relationship to him. If this information is supplied before December 1, 1949, the increased compensation will become effective as of that date.

Proof of such relationship, such as certified copies of marriage record, birth records, divorce decrees or death records, must be in the hands of the Veterans Administration prior to May 1, 1950. Otherwise payment of the additional allowances will become effective the date of receipt of evidence.

Development of the Columbia sheep was begun in 1912 by the U.S. Department of Agriculture.

MAKING THE ROUNDS—Swedish actress Marta Toren makes a sight-seeing tour of Roman ruins between shooting scenes of her latest picture. Miss Toren was afraid Rome would be tiring of Swedish actresses after the recent visits of Greta Garbo and Ingrid Bergman. Come now Miss Toren, how could they?

State Civil Service Jobs Now Open

New employment in many branches of the State Government was today offered qualified Californians by the State Personnel Board. Opportunities include jobs in the fields of pharmacy, engineering, technical laboratory work, and many others.

Final filing dates for these examinations are listed below:

December 1: Weed and Seed Technician, $231.

December 8: Pharmacist, $341.

December 15: Associate Mining Geologist, $415; Senior Mining Geologist, $481; Weighing and Measuring Equipment Inspector, $255; Clinical Laboratory Technician, $231; Senior Clinical Laboratory Technician, $255; and Supervising Clinical Laboratory Technician, $281.

December 17: Storekeeper, Grade 1, $231; Office Equipment Repairman, $243; Office Equipment Repair Leadman, $268; Associate Hydraulic Engineer, $415; Assistant Estimator of Building Construction, $341; Associate Estimator of Building Construction, $415; Associate Electrical Engineer, $415; Bookkeeping Machine Operator, $200; and Jnior Bank Examiner, $268.

United States citizenship is a requirement for all State positions. Complete information and application forms may be obtained from the State Personnel Board offices at 1015 L street, Sacramento; 305 State Building, Los Angeles; or 107 State Building, San Francisco.

Until the Supreme Court decision of 1947, the State of California owned the land extending three miles into the Pacific Ocean.

Young Boy Hurt In Pre-Thanksgiving Day Accident

A 7-year-old boy suffered a head concussion and two cars were badly damaged in two pre-Thanksgiving Day wrecks in Daly City.

Police report, however, that this community managed to get through Thanksgiving without any serious automobile accidents.

Michael Chrystal, 136 Thiers street, ran down the street in front of his home at 7:23 p.m. last Wednesday and into the intersection of Hillside and Thiers when struck by a car. The force of the collision threw the young boy to the street. He was rushed to Junipero Serra, treated for concussion, and relased, hospital authorities said.

The driver of the automobile was Frank E. Shippy, 34, 112 Belmont avenue, South San Francisco. According to Shippy, the lad ran into the intersection and struck the rear fender of his car.

Two automobiles, driven by Sanford Balzer, 522 4th avenue, and Mary Hellgrove, 1167 Brunswick, respectively, collided at the intersection of Mission and Theta at 2:03 p.m. Wednesday. Both cars suffered extensive damage, with the Balzer car in need of a right front repair job and the left front of the lady's vehicle also in need of repairs.

Police cited Balzer for failure to have proper brakes.

USE IMAGINATION

When walking at night, imagine yourself behind the wheel of the approaching automobile, urged the California State Automobile Association. Visualize how difficult it is for the driver to see you unless you are wearing or carrying something white.

NEWS FROM THE SCHOOLS

JEFFERSON

SEVENTH GRADE

The pupils in the 7th grade had a class election. The successful candidates were Shirley Sharp, president; Herbert Frost, vice president; Kenny Smith, secretary, and Bonnie McAvoy and Judith Brandt, treasurers. These officers will officiate at all the class meetings.

READING LESSON

For the audience reading lesson, Betty Lou Banfield brought a miniature llama to school. Her classmates, after reading the story of the Silver Llama, later dramatized it and Betty Lou, Jose Ordonez and Ronald Wold characterized the story.

SOCIAL STUDIES

In correlation with their social studies the fifth grade listened to their new classmate, Theodore Mac Kenzie, who is from Philadelphia, tell about a Quaker school which he attended — The Friendly Select School. The report was very interesting and was enjoyed by the entire class.

The pupils in the seventh grade had a curriculum film lesson. They saw films of the early explorers and their historical explorations. Gwen Anthony and Floyd Kvamme told many interesting stories explaining the film strips.

CROCKER

ROOM 6

The pupils of Room 6 learned that there are nine members in the Supreme Court of the United States and that they are appointed for life by the President of the United States with the consent of the Senate.

Each judge writes his opinion about the case in question. Five is a majority. There have been many five-to-four decisions rendered by the Supreme Court.

This court meets and then there is a recess for two weeks. During this recess, the judges work on the cases tried and write their opinion.

Chief Justice John Marshall, one of the early judges, made our Constitution strong by the decisions he rendered. Another famous judge was Chief Justice Taney, who said that a slave could be taken anywhere by his master and still be a slave. (Dred Scott, a slave, sued his master because he had been taken from a slave state to a free state and then to a slave state.)

GRADE 5

The students of the Low 5 grade felt honored when they received the "Thrift Banner" last week. This banner is given to the class that has the largest percentage of the class saving money.

GRADE 7

Thus far the seventh grade of Room 5 has gained quite a good deal of knowledge about Chinese culture from the things children have been bringing to school and from what they have been reading. However, they found it even more fascinating to take a trip into Chinatown, San Francisco. The police department was kind enough to allow the school bus permission to park anywhere on Grant avenue, so the children were able to see more than if they had walked from place to place. Mrs. Dimond, Mrs. Hiett, and Mrs. North were kind enough to accompany the group on the trip.

While there the children had the opportunity to visit Old Saint Mary's, two stores, the open food markets, and a large religious temple. Their concept of Chinese art, religion, and living is now something which is real to them. Glamorous China is now a place of reality to these seventh graders instead of merely a location on the map.

HANDBALL

The Crocker handball tournament is now well under way. Champion of Crocker for the boys is Peter Roberts. He is now engaged in defending the title against the Woodrow Champ, Eddie Gallagher. The boy who wins two games out of three will be the victor. They have already begun their playoff. Gallagher won the first game with an 11-3 score. In the second game, however, Roberts was leading 10-6, but Gallagher came up from behind to tie the score. They still have to finish this game, which was stopped by the bell.

The girls B has been won by Patsy Phillips. Girls' A, Boys' B, have not yet been decided. There are so many players they haven't finished all their play-offs yet.

ROOM 3

Room three had an art lesson today on making Christmas cards. The art teacher gave some very good ideas on making Santa Claus faces, candles, and other decorations. She will be back next week and help us with some more of this work.

Our study is o nthe U.S.S.R. now. We are finding that Russia is a very large country, with many natural resources. Next week we will do some map work and compare Russia with other countries in size.

50 YEARS IN GRID UNIFORMS—AND MOTOR CARS

BETHLEHEM, Pa.—Dick Gabriel, Lehigh University's top scorer, in football regalia of 1899 (complete with mustache), and Bob Numbers, captain of the '49 Engineers, get set for a campus spin in the first Packard car ever built. Saturday was "James Ward Packard Day" at Lehigh in honor of the famed alumnus and automobile pioneer who completed old Model A on Nov. 6, 1899. The first Packard was driven under its own power as the feature attraction during between-halves ceremonies of the Lehigh-Muhlenberg grid classic.

WARM-UP TIME AGAIN

Engine warm-up time is at hand, warns the National Automobile Club. It seems necessary to remind motorists of that fact in view of the habit they have developed during the months of warm weather of starting away without giving the engine a chance to work up to a reasonable operating temperature. Under-lubrication still is the most damaging influence to which engines are exposed and this is the weather for it unless the speed and effort of the engine are kept at a minimum until it has been warmed.

Christmas Seals Go On Sale This Week

Christmas Seals from the San Mateo county tuberculosis and health association were mailed to 65,000 families in the county this week.

Louis B. Dematteis is the chairman of the campaign this year.

"The annual sale of Christmas seals is the sole support of the organization's activities," Dematteis said. "These include free chest X-rays, health education, rehabilitation and medical research.

"During the 43 years of Christmas Seal sale, tuberculosis has been driven from first place as a killer to seventh and the number of deaths reduced by 85 per cent.

"The program has now been expanded to include an organized attack on heart disease, the present health enemy number one."

Mrs. Ruth Close, executive secretary of the association, points out that newly-arrived families may not have been included on the mailing list. This means they will not receive their seals or be sent their annual notification of appointment for free chest X-ray service. Such families should notify the association by post card or telephone. The address is 115 South Ellsworth avenue, San Mateo, the telephone, DIamond 3-6274.

Under the chairmanship of Mrs. Leonard McWilliams, 250 volunteers prepared this year's Christmas Seal mailing by sorting, inserting materials in envelopes, addressing, and packaging the pieces ready for the post office. Each piece required ten separate handling operations.

"These little seals cost so little and they do so much," says Mrs. McWilliams, explaining the enthusiasm of the volunteer workers she heads. "When you send in a contribution for Christmas Seals you make a direct attack on two great health hazards."

QUAIL HUNTERS HAVE LUCK

Quail hunters enjoyed some good shooting last week around Cool, Pilot Hill, Coloma, Lotus, and Salmon Falls in Eldorado county. Valley quail were plentiful throughout the lower elevations.

Weed Killer Circular Now Ready

How to destroy weeds without harming the crop is described in the new University of California College of Agriculture circular 157, "Selective Weed Killers."

Chemicals, properly used, can save many hours of backbreaking work getting rid of undesired competition to valuable crops, thus saving expenses as well as increasing yields. Faulty application may, on the other hand, damage the crop.

Farmers who want to use chemicals to free their crops from weeds must understand how these weed killers work. Dosage, time and manner of application, weather conditions, and type of chemical used all are important factors to insure success and prevent losses. The new circular, available at farm advisors and at the College of Agriculture in Berkeley, draws together all pertinent information available at present.

The publication was written by Dr. A. S. Crafts, professor of botany on the Davis campus of the University of California, and Dr. W. A. Harvey, formerly also with the division of botany of the University.

September and October are the warmest months of the year in San Francisco.

CALIFORNIA LEADS THE PARADE

California led the parade during 1948 in number of passenger cars registered with a grand total of 3,194,226, reports the National Automobile Club. New York was second with 2,721,884, Pennsylvania third with 2,131,326, Ohio fourth with 2,096,623, and Illinois fifth with 1, 899,305.

EMIGRANT GAP

Emigrant Gap, located 5,225 feet above sea level in Placer county, is reported to have received its name from the pass just one mile east, which was used by the pioneers on their way into Bear Valley.

When Mexico ceded California to the United States, ten million of the State's one hundred million acres were owned by individuals.

Nurses Needed For Navy Corps

Registered graduate nurses may now file their applications for officers' commissions in the Navy Nurse Corps. Unmarried nurses between 21 and 28 years of age are eligible for this program.

Navy nurses are stationed on shore and afloat throughout the world. In addition the Navy offers post graduate study in specialized fields to those who qualify for advanced training. You may study with all expenses paid, plus your officer's salary and allowances at outstanding universities.

The new Pay Bill guarantees you a more secure future. As an ensign in the Navy Nurse Corps you will receive a base pay of $213.75 per month, plus allowances of $102 per month. Upon receiving your commission as ensign in the Navy Nurse Corps your salary will be $315.75 per month.

Inquire today, before the limited quota is filled. An hour of your time may bring you generous and satisfying dividends in training and travel, along with a secure, well-paid career.

Visit or telephone your local Navy recruiting station, Post Office buolding, San Mateo, for complete information. Phone DI 4-1781.

UC Publishes Book On Man's Nature

The Idea of Progress a collection of primary source materials on the great theoretical speculations concerning man's nature and his society, has just been published by the University of California Press.

The selections, made by the late Frederick J. Teggart, professor of social institutions on the Berkeley campus, include writings from Hesoid to Darwin. The volume has been revised by George H. Hildebrand, assistant professor of economics on the Los Angeles campus.

Concerning the volume, Hildebrand writes: "Here, for the first time, the student of civilization has in hand the great theoretical speculations concerning man's nature, the origins of his society, the life history and supposed destiny of human groups, and the causal factors of social change."

Mail Xmas Cards Packages Soon As Possible

Mail those Christmas packages and greeting cards early this year, Postmaster John F. Fixa urged today.

The postmaster expects the greatest flood of Christmas mail in local history. He predicted it would exceed "by a considerable margin" the record-breaking 1948 holiday season.

"This year's deluge of Christmas mail will strain post office facilities severely," Fixa stated, "however, with the public cooperating whole-heartedly we'll get everything delivered before Christmas day."

Christmas packages for distant States should be mailed by December 10, he declared. All Yuletide parcel post should be on its way by December 15.

Christmas cards to friends and loved ones in eastern States should be deposited by December 10 and for other out-of-state points not later than December 15. Greetings for local delivery should click through the stamp cancellation machines at least a week before Christmas or not later than December 18.

Preparations to handle this Christmas rush have already begun. The post office will train extra mail clerks and carriers, they are setting up new sorting tables, hauling out reserve mail sacks, and overhauling delivery trucks. Thousands of bright new postage stamps are on hand, and the post office pens are all getting new points.

To keep Christmas mail on schedule, Postmaster Fixa asks that you—

1. Stop at the post office next week to purchase the extra stamps you're going to need, thus avoiding last minute crowds. When buying stamps for Christmas cards, bear in mind the desirability of sending the cards as first class mail; also the fact that the rate for unsealed cards has been increased from 1½c to 2c each.

2. Check and revise your Christmas card address list this week end.

3. Lay in adequate supplies of heavy cardboard, sturdy outer paper, strong cord for wrapping parcel post. Packages are limited to 70 pounds in weight, and must not measure more than 100 inches in length and girth combined. Place the address of sender and addressee on a slip on the inside of the parcel, in case it is damaged in transit.

If you worry about the recipient peeking, the postmaster advises pasting "Do Not Open Until Christmas" stickers on packages and the backs of greeting cards.

CALIFORNIA-OREGON BOUNDARY

The California-Oregon boundary is reported by the National Automobile Club to lie along the 42 degree latitude line that was set down by an 1819 treat drawn up between the United States of America and Spain to fix the southern boundary between the Oregon Country and Spanish territory.

The original California county of Branciforte is now Santa Cruz county.

Electronics Study

A 42-week course in the operation and maintenance of electronics equipment including radar and television is being offered by the Navy recruiting service to young men who can meet the necessary physical and mental requirements.

The course is given at the Navy electronics school at Treasure Island, San Francisco. Young men may, without obligation, take mental and physical tests to determine if they are qualified for the course. The electronics course is one of the many trade schools offered young men under the Navy's trade school training program, which not only trains young men for their jobs in the Navy but also for many civilian occupations.
